

OFFICE OF
COUNCILMAN ANTHONY YOUNG
CHAIRMAN, COMMITTEE ON PUBLIC SAFETY &
NEIGHBORHOOD SERVICES
DISTRICT FOUR

MAY 8, 2008 WEEKLY UPDATE

Councilmember Tony Young with El Tesoro de Jamul Ballet at the Children's Book Festival

COUNCIL ACTIONS:

On Tuesday, May 6, 2008 the San Diego City Council unanimously approved a grant in the amount of \$250,000 to continue addressing the problem of internet crimes against children.

Funds from this grant will be used to provide an effective combination of computer technology and investigative expertise to positively impact the problems related to the on-line exploitation of children. Proactive and reactive investigations will be conducted, assistance with prosecution of individuals charged with internet crimes against children will be done, and community outreach activities regarding training, prevention and education about internet crimes against children and youth are some of the outcomes for this funding.

On Tuesday, May 6, 2008 the San Diego City Council approved a Resolution declaring that all San Diego fire stations open 24 hours per day, seven days per week are designated as "Safe Surrender Sites" for parents of unwanted babies, three days old or less, to safely give over their babies rather than abandon them in dumpsters or bushes.

The Safely Surrendered Baby law established hospitals as safe haven sites, and allowed counties to designate other facilities, such as fire stations, as safe haven sites. Fire stations are located in communities where people work and live and are recognized by the public as a place where people can go for help. Over 182 newborns have been safely surrendered since the law was passed in 2001. Unfortunately, infants continue to be illegally abandoned, resulting in injury and death. Two abandoned infants in San Diego County have been found dead in the past two years. It is our hope and desires our actions to designate San Diego fire stations as safe surrender sites will further prevent these incidents from happening.

On Tuesday, May 6, 2008 the San Diego City Council approved \$14.8 million in Community Development Block Grant (CDBG) funding for several programs and services throughout the city.

On Wednesday, May 7, 2008 the San Diego City Council will meet at 9:00 a.m. with the Budget Review Committee to conduct budget hearings on Police and Fire departments, Gang Commission, San Diego Employees Retirement System, Ethics Commission and City Council.

On Thursday, May 8, 2008 the San Diego City Council will meet at 9:00 a.m. with the Budget Review Committee to conduct budget hearings on Development Services, Neighborhood Code compliance, Real Estate Assets, disability Services, Qualcomm Stadium, Petco Park, Arts and Culture, Internal Auditor, City Treasurer, and Financial Management.
Please call 236-6166 for additional information on which departments and what times they will be heard by the Committee.

On Friday, May 9, 2008 the San Diego City Council will meet at 9:00 a.m. with the Budget Review Committee to conduct budget hearings on Retirement Package Design and options for consideration.

Special community cleanup events areas are selected based upon citizen requests, pledges of community involvement and previous citizen participation levels. Please feel free to call Solid Waste Code Enforcement Officer Alejandro Alvarado at (858) 627-3317 if you would like to request a clean-up in your area and/or if you have questions.

At the April 30, 2008 community clean-up held in the 4th District community of Valencia Park, a total of 5.22 tons of waste was collected, 3.71 tons were non-recyclables and 1.51 tons of recyclables consisting of metals and appliances from the neighborhood. Mrs. Adria Greenwall, Valencia Park community members, and the City of San Diego's Environmental Services Department and Michael Flores, are commended for their assistance and support.
